

# MARICOPA COUNTY DEPARTMENT OF TRANSPORTATION Creating New Community Horizons

# University Drive

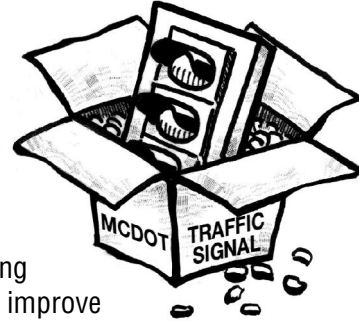

# Traffic Signal Modernization & Upgrades

January 2010

Work Order #: TT 279

**Beginning the first week of January**, the Maricopa County Department of Transportation (MCDOT) contractor will start work to upgrade the traffic signals at the following intersections:

- **University Drive and 56th Street**
- **University Drive and Recker Road**
- **University Drive and 64th Street**

Work will consist of upgrading and/or replacing the existing poles, mast arms, signal heads and controller cabinets to improve safety and traffic flow and to reduce congestion and maintenance costs. Additional improvements include installation of new signing, pavement markings and pole-mounted traffic detection devices for traffic management. Construction is slated for completion in May 2010.

## TRAFFIC RESTRICTIONS

During the upgrade process, traffic lane restrictions are anticipated. Be alert to changes in the temporary construction signage and flag persons when driving through the construction zones. Please allow yourself extra time when driving through the areas, as there may be traffic delays. Access will be maintained for residents, businesses and emergency vehicles at all times.

Thank you for your patience and cooperation.

## FOR MORE INFORMATION

If you need more information about the improvement project, please call the MCDOT construction hotline at **(480) 350-9288**.
