

2010 Asphalt Rubber Overlay – ARRA Projects

June 2010 Project Update

MCDOT Project: TT 322(B)

Roadwork Ahead!

Gila River Indian Community

The Maricopa County Department of Transportation (MCDOT) has identified several roadways throughout Maricopa County to receive needed maintenance under the federally funded American Reinvestment and Recovery Act (ARRA). MCDOT, in partnership with the Gila River Indian Community, has identified **Queen Creek Road between I-10 and Old Price Road**, for inclusion in this ARRA mill and overlay roadway rehabilitation project.

Work will include the milling or “grinding” of the top layer of pavement and the installation of an asphalt rubber overlay. Construction is slated to begin in early June 2010. Project completion is scheduled for late summer 2010. You will be notified in advance via door hanger prior to construction start.
