

# 2010 Asphalt Rubber Overlay – ARRA Projects

May 2010 Project Update

MCDOT Project: TT 322(A)

## Roadwork Ahead!

### Maricopa County Supervisory District 4

The Maricopa County Department of Transportation (MCDOT) has identified several roadways throughout Maricopa County to receive needed maintenance under the federally funded American Reinvestment and Recovery Act (ARRA). The following streets, located in Supervisory District 4, are scheduled for mill and overlay roadway rehabilitation:

- 99th Avenue, Camelback Road to north of the Grand Canal service road
- Bell Road, east of 114th Avenue to east of Burns Drive
- Camelback Road, east of the Bullard Road alignment to Litchfield Road
- Dysart Road, Camelback Road to Glendale Avenue
- Lower Buckeye Road, Dean Road to 203rd Avenue
- Reems Road, north of Olive Avenue to Peoria Avenue
- RH Johnson Boulevard, Meeker Boulevard to Stardust Boulevard
- Thunderbird Boulevard, 103rd Avenue to 99th Avenue

Work will include the milling or “grinding” of the top layer of pavement and the installation of an asphalt rubber overlay. Construction is slated to begin in early June 2010. Project completion is scheduled for late summer 2010. You will be notified in advance via door hanger prior to construction start.
